

Improper Use of Drugs and Medicine Policy Factsheet

Overview

The Improper Use of Drugs and Medicine Policy (the Policy) is designed to protect athletes from harm caused by the improper use of medicine, supplements and illegal drugs. Specifically, the Policy provides a framework to:

- ensure that only appropriately qualified people provide science and medicine services to athletes
- ensure that medications and injections are only given to athletes as part of appropriate medical treatment
- ensure that supplements are used and distributed safely in sport with a focus on evidence-based use
- reduce the harm of illegal drugs in sport.

Who does this Policy apply to?

The illegal drug and serious drug offence components of this Policy apply to QAS supported athletes, QAS program coaches, QAS employees and contractors as defined in the QAS Improper Use of Drugs and Medicine Policy. The supplement, medicine and injection components of this Policy apply only to Relevant Athletes and Relevant Personnel as defined in the QAS Improper Use of Drugs and Medicine Policy.
